COOKING MAGIC

Tested Recipes and Ideal Planning Ideas Prepared for Pembina News-Advertiser Readers by the Home Service Department of Northwestern Utilities, Limited

Of all the dishes on the menu dessert is one that ought to be an unqualified delight. Instead, it is becoming something of a culinary problem for many good cooks who find dessert takes just too much work. The delicious dessert in this article can be whipped up in very short time, and yet have the appearance of a gourmet's treat.

ANGEL CUSTARD DELIGHT
1 egg, unflavored gelatin
1/4 cup cold water
6 beaten egg yolks
3/4 cup sugar
1 1/2 pt. graded lemon peel
3/4 cup lemon juice
3/4 cup sugar
8 stiff beaten egg whites
Few drops yellow food color

Whipped cream
Trim custard from the angel cake. Tear cake into medium pieces. Soften gelatin in cold water. Combine egg yolks, 3/4 cup sugar, lemon juice and juice. Cook over hot, but boiling water until mixture coats a spoon. Remove from flames and add stiffly beaten egg whites. Fold until partially set. Beat remaining 3/4 cup sugar gradually into egg whites. Fold into gelatin mixture. Add yellow food coloring. Arrange 1/2 of cake pieces loosely in the bottom of 10 inch tube pan. Pour 1/2 of custard mixture over cake pieces so it will be between. Continue until there are 3 layers of cake and custard. Chill until firm. Invert on platter. Fill centre with whipped cream. Serves 12.

AMBROSIA CAKE
1 30 oz. can, sliced pineapple
4 firm bananas
4 Navel oranges
1 1/2 cup sugar
1 tsp. corn starch
3/4 cup pineapple juice
1/4 cup lemon juice
Brandy or rum (flavoring)
1 white layer cake
Arrange 8 slices of pineapple on the cake bottom. Cover each with a slice of peeled orange, topped with half a banana, cut crosswise. Mix remaining ingredients to gather in the center gives and cook until clear. Drizzle over the fruit and bake in 375°F. oven for 15 minutes or until slightly brown. Remove from oven and let the sauce during cooking. Serve warm with whipped cream or ice cream.

MINCEMEAT APPLE CRISP
1 3/4 cup mincemeat
1 medium apple, peeled and sliced
1/2 cup brown sugar
1 sp. cinnamon
1/4 cup butter or margarine
1/2 cup enriched flour
Place half of apples in buttered 8 1/2 inch round baking dish. Top with half the mincemeat, repeat layers. Mix ingredients till crumbly. Sprinkle over top of layers.

ROSE - School - 1st Tuesday of each month 10:30 a.m. to 11:30 a.m.
WILDWOOD - Moose Inn Motel - 4th Thursday of each month 1:00 p.m. to 3:30 p.m.

Bake in 350°F. oven. Serve warm with cream Serves 6.
LUCIOUS COCONUT CAKE
Melt 1/4 cup butter or margarine in a double boiler. Mix in 1 cup sugar, 2 1/2 beaten eggs, juice of 1 lemon and grated rind of 1 lemon. Cook, stirring constantly, until thick, 30 to 40 minutes. Chill several hours.
Beat 3, about 1 lb. 4 oz. boxed white cake mix according to package directions, adding 1/2 cup grated coconut and 1/2 sp. almond extract to each batter. Bake in four 9 inch layer pans according to package directions. Freeze one layer for later use. Put 2 layers together with filling.

Combine 2 1/2 cup sugar, 3 eggs, each light cream syrup and water in a small saucepan. Bring to a boil and continue cooking to 240 or until syrup spins 8 to 8 inch threads. Beat 2 eggs whites until stiff. Four syrup in a thin stream into egg whites, beating continuously until frosting is stiff and glossy. Add 1 tsp. vanilla. Spread on a cake. Sprinkle cake with shredded coconut. Makes 10 to 12 servings.

VELVET DESSERT
Combine equal portions of sour cream and whipped cream (approximately 1 cup each). Combine with 1 tin well drained mandarin oranges.

ge slices, or 5 cups fresh mandarin slices, 1 - 15 on the pineapple slices, 3 bananas cut into chunks and 1/2 cup mince-meat. Chill thoroughly. Serve in baskets, topped with nuts. Serves 8.

Library News

April 10 to 17 is Library Week. Your Municipal Library staff sends you a most cordial invitation to visit your library at this time. New books are arriving and will be on display at that time.

The library is in the town hall. Library hours are Tuesday 10 to 1 for bus children, 3 to 5 and 7:30 to 9, Friday 3 to 5. The library will be closed on Good Friday and all through Easter Week. From all through on Good Friday and all through on Good Friday and all through on Good Friday.

Drayton Valley

BANNER

SERVING THE HEART OF THE WORLD'S LARGEST OILFIELD DRAYTON VALLEY, ALBERTA

Alta Centennial Officer Appointed

The Provincial Secretary, the Honourable Ambrose Holowach, has announced the appointment of G.D. "Bud" Salloun, as Centennial Officer for the Province of Alberta. Mr. Salloun's duties will be to assist various municipalities in the northern part of the province with the preparation and forwarding of applications for Centennial Grants, and to provide liaison between Centennial organizations throughout the province and the Provincial Government. He will visit municipalities to assist the local Centennial organizations, which in view of the fact that all applications for approval of projects must be received on or before December 31, 1965, have no doubt already been established. Similar assistance to municipalities in the area south of Edmonton is being given Centennial Officer "Ed" H. Abell.

G.D. "Bud" SALLOUN

Public Notice

Notice is hereby given that, under authority of Sections 386 and 403 of the Town and Village Act of Alberta and amendments thereto, the Council of the Town of Drayton Valley, intends to proceed with the construction of the project as shown on the schedule below:

TOTAL					3,670.00	3,670.00	3,670.00

The cost of this project will be charged against the properties fronting or abutting and shall be repaid over a period of fifteen (15) years. Unless the majority of the owners of the property that may be assessed, representing half of the value as assessed, object, the local improvement may be undertaken on the basis of the assessment referred to in the notice.

If no objections are received the Council will proceed with this project, at its discretion, but within two years. Final rating of the by-law will be given as soon as all approvals have been received.

TOWN OF DRAYTON VALLEY
April 7, 1965

M.C. JONANSON
Secretary-Treasurer

SECOND SECTION

Editorially SPEAKING

Critics Berrill D.V. Fed Bldg.

"THE LIBERALS SABOTAGED THE DRAYTON VALLEY FEDERAL BUILDING... SAY Dr. Hugh Berrill, M.P. Jasper-Essen Constituency.

In a telephone conversation recently with Dr. Hugh Berrill, M.P., for this riding, Hugh waxed eloquently vehement over the sabotaging of plans for the proposed federal building for this area. As he pointed out, he had been the one that had nixed things up back in Ottawa for the government to buy the land for the federal building to start with.

Following representation to Ottawa from the Town of Drayton Valley and the Drayton Valley Chamber of Commerce last June, Dr. Berrill was able to obtain firm commitments on two projects close to our hearts. First and foremost was the federal building, to house not only the post office, but more particularly other federal offices, such as National Employment Service and Agricultural offices.

Second was the commitment from the Department of Public Works for the survey to be made of the House Pass route in 1966. These commitments were obtained from the Minister of Public Works, the Honourable Jean Paul Deschamps. Later the Liberals sabotaged the federal building and Dr. Berrill was able to get the project back on the rails again. Then Deschamps resigned his office and that put the federal building project right back where it had started in Limbo.

Meanwhile, back in Alberta, a person, or persons unknown, had evidently been giving the federal office in Edmonton, the post-office department and D.V. a long list of reasons why they should not build a federal building in Drayton Valley, evidently inferring that it was near to being a "ghost town" and could not justify a new federal building, etc., etc. At least this was the gist of the letter that the new D.V. had, the Honourable Justin sent to Dr. Berrill, and our M.P. sent copies to various groups in Drayton Valley.

Mr. Justin seemed to infer in his letter that since there seemed to be some little doubt as to whether Drayton Valley had the economic base and stability at this time, it was better to fold up the reins to refrain from building on the federal loss there at this time. He said that the present post-office lease would be renewed.

The old school copy book maxim for beginners' optics is to type and re-type: "Now is the time for all good men to come to the aid of their country." Now, we need that, in the time for all of us to step up and let the Grits know that we aren't about to fold up our reins like the Arabs and stand idly away.

CHAMBER OF COMMERCE WEEK

This week marks the celebration of Chamber of Commerce Week, April 4 to 10.

At other times we have listed in this paper the many projects undertaken and carried through to successful conclusion by the local Chamber of Commerce so we will not mention them at this time. But the list is long and varied, and has contributed much to the growth and stability of this town and district.

At this time it might be well to list those business, individuals and farmers who are members of the Drayton Valley and District Chamber for 1965. The list is those whose membership is paid up for this current year at the time of publication. Before much time has elapsed many others, particularly those of our businessmen who are not here represented will be paying up their membership to become fully voting Chamber of Commerce members. We will print a revised list later:

Imperial Lumber	Swan, a Well Servicing
Macdonald	H. Manager Whelan
Northern Video	J. & H. Brown-Wayne Wall
D.V. Cabins	Ray Williams - Mobil Oil
Jackie Studio	5 Valley Street
Johnson Insurance	Hudson's Bay Co.
D.V. Hotel	D.V. Bellman
A. Meier Insurance	Rose's Towing
Pembina News	Claude Free
Treasury Branch	J.J. Speechan
White Bull	J. Bright
Boy Runway	Don Billa - Farmer
E.B. Brandt - Farmer	Pembina's Confectionary
F. Hogg - Farmer	Cities Service Petroleum
W. Dunsheoff - Farmer	Pembina Ding
Imperial Oil	Valley Drug
D.V. Medical Centre	James Lund Body
Dr. Waugh	L.B. Moore
Alamy Power	Thompson Welding
Northwestern Utilities	Block Store
Big Country Machinery	Quillman & Smart
Fred Rayon	

We are expecting great things from Drayton Valley & District Chamber of Commerce in 1965, with many huge projects underway for the publishing of this area.

COUNCIL MEETING

cont. from page 9
Gravel stockpiling - 3100 cu. plus now hauled in. Two tons taken at start - 18, - 19, 20, 21, - 19, 22.

Since that time there have been more cuts at about 75 ft. indications they better grade of gravel as the job progresses. Town equipment: No major overhaul apparently necessary, road South of Town - rebuilt or major maintenance? J. Zolner moved that Council allow this road to remain as is for two years with adequate grader maintenance. Carried.

K. W. Wahl moved that Council authorize the contracting of every establishment owner in blocks 3 regarding a plan to service the area in that block with storm sewers and thereby remedy the drainage problem from the roof. Carried.

H. Zolner moved that Council direct that the Inspector make a complete census of the Town to ascertain the houses with dogs and whether or not they are licensed. A quote means that to be taken to insure that all dogs are licensed. Carried.

THIS MAN'S DISABILITY INCOME STOPPED TOO SOON

Many plans available to-day provide an income for short periods only. But disability insurance indicates one in three of us will be disabled for 3 months or longer before age 65 and the average length of disability will be nearly five years—30% will be permanent.

Manufacturers Life specializes in providing income not only when you need it but for as long as you need it. Our Personal Income Protector Plan is a flexible policy to which can be added a unique stepped benefit. This flexibility puts long term income protection within the means of many who could normally afford only short term protection.

Ask the Manufacturers Life representative for more details.

The Superintendent of Works reported that Mr. S. Moore had given him a verbal statement over the phone regarding the #9 well and confirmed the opinion of Town Officials that the reservoir is substantial and could support another well. He advised that by examination on surface the best possible well site is about 400 feet to the Southeast of No. 8 well. E. Thompson moved that Council authorize that a water well be drilled in the area adjacent to #9 well—approximately 400 feet to the South east. The drilling to be done during spring break-up if this is possible. Carried.

The Mayor announced to Council information about the exercises to be held on May 27, 1968, to test Drayton Valley preparedness in the event of disaster. This will be an emergency Measure Organization scheme.

W. L. Kysse moved that Council confirm the appointment of the following person as the Centennial Committee of this District as an area of the Town of Drayton Valley Council: C. R. Wickens - Chairman - Box 150, Drayton Valley, 542 - 3211 or 542 - 3464; M. J. Gernsey, Secretary - Box 405, Drayton Valley, 542 - 3297 or 542 - 3814; C. W. Giesse, Treasurer - Drayton Valley, 542 - 3259, or 9741 Brian Gooding, 1st Vice-Chairman, Box 1, Drayton Valley, 542 - 3211 or 3097; Doug Barnes, Drayton Valley, 542 - 3684, W. Damschoff, Rocky Lake, 542 - 2014; C. Albert, Drayton Valley, 542 - 2223 or 542 - 3854; F. Hope, Violet Grove, 542 - 3031; R. Zander, Tomahawk, 542 - 3307.

K. W. Wahl moved that the By-Law revisions be drafted and forwarded to the Council for their approval and recommendation. Carried.

S. H. M. Burrows moved that Council direct a vote of confidence in the programme on development and rehabilitation under C.N.C.C. being proposed by the Mayor as Drayton Valley Urban Renewal Program.

K. W. Wahl moved that Council authorize the submission of the Educational Remission to the Union of Alberta Municipalities as presented by the Mayor. Carried.

K. W. Wahl moved that the meeting adjourn to meet again on Thursday, March 18, 1968 at 8:30 a.m. Carried.

Valley Milk Producers Meet

The annual meeting of the Valley Milk Producers Association was held in Drayton on Thursday, March 25th.

There was an excellent turnout of members and their wives and representatives of the Valley District. The Canadian Dairy Food Services Bureau, the Board and Staff of the Health Unit attended. Following lunch, a general meeting was held, the subject discussed covering

Leaflets available; use all your Royal Bank services.

MR. GLEN McLAUGHLIN
MANAGER
DRAYTON VALLEY BRANCH

Modern etiquette

By Roberta Lee

Q. Should a person apologize for the crumpling noise he makes while sitting hard, fast, celer, or something of that nature?

A. This is just necessary, since such a noise is usually unavoidable and any apologies would serve merely to call more attention to it. Try, however, to muffle the noise as much as you can.

Q. Is it proper to mail birth announcements to all one's friends, even to those whom one has already planned the good news?

A. I think it's rather needless to mail announcements to those who already know the news—except perhaps when you have an especially "cute" or novel sort of printed announcement.

Q. What are the most popular forms of introducing a man and a woman?

A. Either, "Miss Lake, may I present Mr. Fort?" Or, "Miss Lake, Mr. Fort." Observe that in both forms the woman's name is mentioned first.

Q. Just what is expected of the parents of a newly engaged couple?

A. The man's parents should call immediately, within three days if possible, on the girl and her parents. Should they live in another city, a letter, usually from the mother of the son, should be written to the girl to welcome her into their family.

Q. What are the most popular forms of introducing a man and a woman?

A. Either, "Miss Lake, may I present Mr. Fort?" Or, "Miss Lake, Mr. Fort." Observe that in both forms the woman's name is mentioned first.

CARMEN

Edmontonians will have the opportunity to enjoy one of the world's most popular operas April 21, 22, 24, when the Edmonton Professional Opera Association presents *Carmen*, conducted by Brian Pridmore and starting Joyce

Blackburn of London, England, and Raymond Chianella of Toronto.

Chianella will play the part of Don Jose in the production to be staged in the Jubilee Auditorium.

Chianella has sung *Carmen* in Toronto, London and England. His most recent performances have been in Italy, Rome, and Dublin, Ireland. He studied with Mario Basso in Italy, where he won the Beniamino Gigli Memorial Award just before his arrival in Canada. His performance in *Famous Italian Opera Houses* include San Remo, Bergamo, Piacenza, Macerata and Cremona.

His repertoire includes 11 Trovatore, La Fanciulla del Teatro, Tosca, Turandot, Samson, and Delilah, Cavalleria Rusticana, Aida and Otello. Prior to his recent return from Italy he sang a series of concerts with the Milan Tivoli Orchestra in Milan.

Commenting on his forthcoming performance as Don Jose in the Edmonton production of the Association's production of *Carmen*, Raymond Chianella says he is looking forward eagerly to singing in this city.

Jean Larocque, managing director of the EPOA, is musical director for *Carmen*. Dramatic director is Donald Pimm, President of the Association and E.P.O.A. Newton.

Tickets are on sale at the Allied Arts Box Office in downtown Edmonton, and at Meadowlark Ticket Sales in Jasper Place.

W.I.

An interesting and informative address was presented by Mrs. B. Palmer on the occasion of the Women's Institute March meeting.

Mrs. Palmer spoke on Mental Health. Mental illness is much more common than we like to admit and like any other illness, it often strikes. Mrs. Palmer stressed the need for Education leading to acceptance. She discussed the Adopt-A-Patient-Plan. A question period followed with lively discussion.

The Women's Institute would like to remind you of their collection of old text books. Leave your books at Burnside Manor. They will be sent to countries where the schools have no books at all.

We refuse to give up - Spring will be here. And so will the Women's Institute Flower Show Prize List. If everything you plant is in the list everything you grow will be eligible for a prize.

The Women's Institute Girl's Club members are busy. They have been embroidering and knitting, and now are selling tickets on an Easter Bazaar.

Next meeting of the Women's Institute will be Drayton Valley Library, April 12, at 8:30 P.M.

Nature is a more powerful force than education. — Benjamin Disraeli.

Music is the mediator between the spiritual and the sensual life. — Beethoven.

Though I am always in haste, I am never in a hurry. — John Wesley.

He that takes time to think, considers with set more wisely than he that acts hastily and on impulse. — C. Simmons.

Advertising helps to reduce consumer demand for scarce commodities by diverting public demand to other more readily available commodities.

Editorial Comment

CHAMBER OF COMMERCE

WEEK

GUEST EDITORIAL

As many historians have pointed out the Dark Ages were not entirely dark. As a matter of fact, it was in the days when knight hood was in flower that the first beginnings of Chamber of Commerce movement can be noted. Tracing the history of the movement can be most fascinating and leading back through the pages of history it becomes evident that the original model of the modern Chamber of Commerce is of Medieval Europe.

The fall of the Twelfth Century was a time of church feuds which periodically drew crowds of people to the towns thus providing them with the opportunity for the exchange of goods, and perhaps for the first time brought members of an area together. These fairs declined during the Fifteenth Century due to the establishment of permanent markets in the principal cities.

The Merchants Guilds, with the break-up of the feudal system, assumed a growing importance as semi-public bodies. These were very tightly knit organizations with members of a profession such as the goldsmiths or cooperatives laying down hard and fast rules for the training of youths and for the establishing of standards. Towards the end of the Fifteenth Century, the Guilds system disintegrated and the first organization of Chambers of Commerce came into being.

The name Chamber of Commerce was first applied to an association of merchants at Marseilles, France, in the Fifteenth Century, but it was not definitely organized until about 1850. These Chambers operated under a measure of government control and indeed many so continue to the present day. They performed such functions as installing laws regarding factory plans and trade markets, registration and winding up of companies, customs tariffs and transportation regulations. Even today, the London (England) Chamber of Commerce continues to administer the watch import duties on behalf of the Board of Trade and provides the only independent certificated leather check measurement service to the United Kingdom. In Canada, the Board of Trade Act gives authority to a Board of Trade to license weighers at grain elevators.

The first Board of Trade or Chamber of Commerce organized and conducted independently of any government authority in Canada was the Halifax Board of Trade established in 1750. In the United States a New York State Chamber of Commerce was organized in 1789. About the same time, Chambers of Commerce in Great Britain were organized, the first being the Jersey Chamber of Commerce in 1760. From then on, Chambers were rapidly organized in the Chamber movement, particularly throughout the British Commonwealth. Chambers were organized in Cape Town, South Africa, 1811; British India, 1830-1840; and both Australia and Jamaica in 1840. The London, England, Chamber of Commerce, to which reference was made earlier, one of the oldest organizations of its kind in the world, was organized in 1861.

The curling season will wind up with a "ROCK-A-RAMA 66" which will feature a general wind up party for the curling Club, another feature of the "Rock-A-Rama 66" will be a draw for the "200 Car Club Car, other features will be a magnificent supper from 6:00 to 8:00 during which the winners of the car draw will be drawn, entertainment of various sorts and, presentations, and a full evening of dancing from 8:00 till 1:00 to one of the best orchestras in the town.

The top eight teams in the Men's Curling League Section will play off for the championship.

Dog Control Meeting Held

Report of Town of Drayton Valley Representatives at meeting in Thorby to seek a satisfactory Dog Control Program.

On Monday evening, April 5, Representatives of the local Town Council met with municipal representatives from Miller, Leduc, Camar, Devon, Warburg, Brooks, Thorby and Drayton Valley for the purpose of studying and discussing how dogs may be effectively and properly controlled in the Town and Villages represented.

It was soon apparent that the same general problem existed in most every corner, and the same general remedy was suggested. All were of the opinion that some more effective method would have to be instituted in order to curb the growing problem.

After a prolonged discussion on the problem in which many suggestions, recommendations and ideas were

put forward it was finally tentatively agreed to put the following plan into effect:

1. To draft a standard by law for the control and regulation of dogs which would be adopted by all participating municipal bodies. The terms of this bylaw to include:

(a) Licensing fees of \$1.50 for each un-neutered dog, \$2.50 for each neutered dog. (b) Fines for violating bylaw to be \$1.00 for first offence and \$10.00 for second or more offences. (c) More than dogs being harbored in any one residence or establishment to be considered a nuisance and to be dealt with under the zoning bylaws of the Municipal Corporation.

(d) Each municipal body to be responsible for providing for its own pound and pound keeper. Fees to be also arranged between corporation and poundkeeper.

(e) That a dog warden by appointed to cover the municipal corporation parties.

patting equipment approved by the Society of the Prevention of Cruelty to Animals. Remuneration of this dog warden to be such that it would attract one of ability, integrity and effectiveness. Each remuneration to be made up of a basic per capita levy of the municipal corporation plus a fee of \$1.00 for each dog which would prove effective without being mean or mealy about making appointments.

To make the aid of the Society for the Prevention of Cruelty to Animals in formulating the terms and clauses of the bylaw to insure no duplication of the policies and regulations guarded by this society.

It was the considered hope of this group that, with co-operation of all concerned and effective operation of the program, the dog problem would become minor nature.

Dr. Hornher, M.P., writes regarding the proposed Federal Building.

In view of the recent decision of the Liberal Federal Government to cancel plans for a federal building in Drayton Valley, I think it is important that the citizens of Drayton Valley know the sequence of events.

I was able to get the Government to buy land in Drayton Valley in 1953 with the idea that the land would be available so that construction could proceed in 1954-55 for a federal building in Drayton Valley. I felt that with a federal building we would be able to obtain other federal services for the area, as well as give an immediate boost to the town's economy. The Department of Public Works agreed with the Department at that time. After the change of Government in 1958, they stopped the project. Further representa-

tion and operations. I am now in the position of a Junior Petroleum Engineer. Prior to his transfer to the Division Office, Calgary, as Joint Interest Superintendent, Mr. Burns held vast engineering and supervisory positions in the Canadian Division, serving for the past several years in the Drayton Valley office.

Mr. Burns, a native of Winnipeg, received his B.Sc. degree in Electrical Engineering in 1950 from the University of Alberta. In 1954 he joined Pan American as a Junior Petroleum Engineer. Prior to his transfer to the Division Office, Calgary, as Joint Interest Superintendent, Mr. Burns held vast engineering and supervisory positions in the Canadian Division, serving for the past several years in the Drayton Valley office.
